Rey Feo LXX and Royal Court

Thomas R. Aguillon

Rey Feo Candidate

Born and raised in San Antonio, Thomas Aguillon is the child of a single mother, who worked hard and fought hard for him to go to a good school. From watching his mother work hard to give him better opportunities, Thomas understands the importance of a good education and the benefits that come from it. Because of this, Thomas is running for El Rey Feo, to influence young students about the importance of education. With his outgoing personality and appreciation of a good challenge, Thomas wants to

help expand the Rey Feo Brand and assist students with financial assistance as they fulfill their dreams.

Through the hard work and effort of his mother, Thomas is a proud graduate of St. Anthony Catholic School and Central Catholic High School. He would later go on to attend The University of Incarnate Word through a basketball scholarship. He graduated in 1997 with a B.A. in Public Policy Administration.

Through his education and the opportunities given to him through the work of his mother, Thomas has had a 20-year career in the Government/Public Affairs field. Currently, Thomas is the director of Government Affairs for Charter Communications, where he works on legislative and regulatory issues. There Thomas oversees 140 plus different municipalities and military installations in South Texas. He was hired in 2003 at Time Warner Cable (before it was acquired by Charter Communication) as a Business Development Coordinator and was quickly promoted to Government & Public Relations Manager in 2006 and Director in 2007. Thomas is proud to celebrate his 15th anniversary in 2018. Before working with Charter, he served as the Chief of Staff to San Antonio City Councilmen for District 1, Bobby Perez and Roger Flores, Sr.

Thomas has been a member of the Rey Feo Consejo Educational Foundation since 2011. In that time, he has been elected to represent the membership four times, including two as an executive board member. He chaired the crown party in 2012 (its inaugural year) and had helped it become the party of the year. Thomas has also served on three courts for Walter Serna in 2010 as Transportation Minister, Primer minister for Jon Gary Herrera in 2015, and Executive Minister for Fred Reyes in 2017.

He serves on the Texas Cable Association Board of Directors, the Municipal Golf Association of San Antonio Board and is the past President of the Central Catholic Alumni Board of Directors. Thomas is a member of Leadership San Antonio, Class of XXIX (2003), served on the Steering Committee in 2007, and previously served on the Brooks Development Authority Board of Directors. In 2000, he was awarded the Alta Vista Neighborhood Association Community Service Award, and in 1997 he was honored as the "Most Outstanding Political Science Intern," from University of Incarnate Word.

Thomas is an active member of the community and has helped raise over \$150,000 as a participant in Ring Side San Antonio, which supports the San Antonio Area Foundation's South Texas Hispanic Fund. In 2011, Thomas was a member of the Central Catholic High School Capitol Campaign Committee, where he was involved in raising over \$10 million for the school. Thomas also is an active volunteer at St. Anthony's Catholic School as a CYO coach in volleyball & basketball. In addition to his work supporting education he and his family also host an annual a golf tournament, the Aguillon Golf Classic. Since 1991, the tournament has raised money for Diabetes awareness and over the past ten years, more than \$120,000 has been donated to the local San Antonio Texas Diabetes Institute.

Thomas is married to Melissa Aguillon, President & CEO of Aguillon & Associates LLC. They met at city hall in 1998 and were later married there as well. They will celebrate their 17th wedding anniversary in March of 2019. In other celebrations, they were recently named one of San Antonio's Power Couples for 2018 by the San Antonio Business Journal. Together they have one son Benjamin who is 14 and attends Central Catholic High School, and a daughter, Karina who is 10 and attends St. Anthony Catholic School. When he's not working or helping the community, Thomas enjoys playing golf, basketball and reading history books.

"The People's King"

The Legend

The story dates back to Spanish medieval times, during which the King of Spain had distanced himself from his subjects choosing to fill his court with only the beautiful, rich, and aristocratic. The ordinary citizen was never invited to the palace and rarely saw the monarch except when he rode to the countryside to hunt. The common people resented the king for this, and one day a rebellious crowd gathered in the plaza and proclaimed one of their own as **"The Ugly King"** or **"The People's King"**.

This celebration of the populace traveled to the New World, and it was in Aguas Calientes, Mexico during La Feria de San Marcos (**The Festival of St. Mark**) when the first Rey Feo ruled in North America.

Later, in 1947, members of the League of United Latin American Citizens (LULAC) Council No. 2 in San Antonio, Texas were looking for a way to raise money to provide scholarships for underprivileged and deserving San Antonio youth. With their knowledge of La Feria de San Marcos, the LULAC members decided that sponsoring a Rey Feo competition of their own would not only be fun, but charitable as well. Later, through the efforts of Logan Stewart, Rey Feo XXXII, a local prominent radio personality, El Rey Feo was formally invited to be part of Fiesta in 1980 and was given his own parade called Paseo Del Rey Feo. The Parade was an integral part of Fiesta from 1980-1987.

Mission Statement

EDUCATION IS THE GREAT EQUALIZER

“The mission of the Rey Feo Scholarship, Inc. is to financially support the aspiration of deserving high school seniors to obtain a college/university education regardless of race, color, religion or gender..”

The Rey Feo Scholarship Foundation is a 501(c)(3) non-profit, non-political organization, established in 1947. The organization operates as a scholarship fundraising program to aid in the funding of San Antonio’s prospective college graduates. Education is the only priority of the Rey Feo Foundation.

Two individuals are selected bi-annually to hold the prestigious title of, “Rey Feo” by the foundation and the Consejo de Rey Feos Anteriores to raise scholarship funds. They are part of the annual Fiesta Week Royalty in San Antonio, Texas during the 3rd week of April.

Today

Today, El Rey Feo merits royalty status. Along with other Fiesta Royalty, including King Antonio and LULAC's Feria de las Flores Queen, El Rey Feo rides in all of the four major Fiesta parades. He is as an ambassador of the spectacular 10-day celebration held in San Antonio every April, honoring the heroes of the Alamo and the Battle of the San Jacinto.

During the Feria de las Flores from May to October, candidates raise funds, and whoever raises the most money is declared next year's Rey Feo. The runner-up serves as the crown designate for the following year. Each candidate must raise a minimum of \$200,000 to qualify for the title. Over 60 high schools participate in the scholarships annually, and a majority of the actual recipients are first-generation college-bound students from low-income, single-parent homes.

During his reign, Rey Feo and his court visit nursing homes, hospitals, orphanages, and more than 70 elementary schools to encourage thousands of young people to stay in school, respect their teachers and parents, be good citizens and pursue a higher education. He serves as a goodwill ambassador for the city throughout the year.

Ariana Flores

Feria de las Flores

Ariana Flores is a senior at St. Mary's University pursuing a major in accounting and data analytics. Ariana is proud to have continued a family legacy of Fiesta service. Her grandfather Antonio Flores, Jr. served as Rey Feo XLVIII in 1996, and the same year, her Aunt Lorrie (Flores) Tijerina served as Reina de la Feria de las Flores - making their reign the first Father-daughter Rey Feo and La Reina duo to celebrate Fiesta simultaneously. In 2018, Ariana's father, Ken, served as Rey Feo LXX - and the two are now recognized as the second father-daughter Rey Feo and La Reina duo. Her grandmother, Irma Flores, was the first Hispanic woman to serve as President of the Fiesta San Antonio Commission in 2003. Ariana's volunteerism was inspired by her family's commitment to supporting Fiesta and it has been a dream come true for her to continue in that service. Ariana has always loved helping people and witnessing others achieve their full potential. She knows that education changes lives and hopes that through her service as Reina de la Feria de las Flores she has and will continue to encourage San Antonio youth to pursue higher education and improve their lives with the awarding of the Tom Morton Sandoval Parent/Child Scholarship. She is an active young lady and believes that taking care of your body prepares one mentally and physically to lead a longer, healthier, and more successful life. As Reina, Ariana has inspired others to get moving, stay motivated and enjoy a better quality of life with better health. Ariana is dedicated to serving her community, wellness, and most importantly expressing the importance of education. She has given her time to others through service at Haven for Hope, American Red Cross, Wounded Warriors Project, The Children's Shelter and Mobile Loaves and Fishes through her parish St. Francis of Assisi Catholic Church. Ariana is currently a member of the Delta Zeta Sorority, Omnicron Alpha Chapter at St. Mary's University where she supports philanthropies including Delta Zeta's Heart for Hearing, the Starkey Hearing Foundation, as well as the Painted Turtle Camp. Through her reign as La Reina de la Feria de las Flores, she was incredibly honored and humbled to serve as an ambassador to the phenomenal community of San Antonio. She has been inspired to continue spreading the importance of education beyond her reign in hopes of helping our community achieve even greater things. Ariana is proud and excited to pass the crown to the Reina de la Feria de las Flores 2018-2019 as Ariana knows she will serve our community to the best of her ability and show others what our organization and efforts are truly about.

Feria de las Flores

A Festival with a Purpose 1945-2012 History

In early 1945, members of the League of United Latin American Citizens, or LULAC, Council No. 2 in San Antonio, Texas began pooling personal contributions for scholarship funds. Later that year, scholarship committee members and supporters developed an official fundraiser fashioned after the community celebration known as La Feria de San Marcos, held annually in Aguascalientes, Mexico. And thus, La Feria de las Flores, or “The Fair of the Flowers,” was born, under the leadership of the queen, “La Reina,” and with education at its very core.

Because of its great success, the scholarship committee added El Rey Feo in 1947, a contest of kings to parallel the queens. In the beginning, Rey Feo candidates raised scholarship funds by asking supporters to donate a penny for a vote. Joe Ortiz won the most votes, raising the most funds, and was declared the first El Rey Feo.

Throughout the year, El Rey Feo, La Reina and their royal court represent San Antonio all over the state of Texas and the United States in various activities and parades. They visit many schools in the San Antonio area urging students to stay in school, go to college and pursue their dreams through higher education.

From the very first Rey Feo, Joe Ortiz, each Rey Feo candidate has raised funds for scholarships for the youth of our great community. In other cities, LULAC Councils have adopted the concept of Feria de las Flores with various queen contests; however the title of “El Rey Feo” remains as San Antonio’s recognition of a local businessman who accepts the challenge to raise funds for scholarships.

Traditionally, after the Rey Feo is crowned, he is presented with a “cabrito” (“goat”) by his loyal subjects as his main prize. The Rey Feo and La Reina, together with their “Royal Court” represent the City of San Antonio throughout the year all over the State of Texas and the United States in various activities and parades. The King and Queen visit many schools in the San Antonio area urging students to stay in school, go to college and achieve their dreams through a higher education.

LULAC Council No. 2

Officially founded in 1929, the League of United Latin American Citizens, or LULAC, was established during a time in America's history when Hispanics were unjustly denied basic civil rights. It was created to empower its members to help bridge gaps in society, and today, LULAC is the oldest and most widely respected Hispanic civil rights organization in the nation.

"All for One, One for All"

The United States was at war in the 1940s. Raising money for any cause was a challenge, but San Antonio's LULAC Council No. 2 realized that insufficient education prevented many young people from pursuing and achieving their dreams. The council saw the need to make a difference in the lives of young people, and they were committed to helping students pursue a college education. In 1945, LULAC Council No. 2, along with family, friends and the business community, pulled together their own funding for scholarships. Later that year, the initiative officially became La Feria de las Flores.

Parent /Child Scholarship Program.*

San Antonio College Main Campus

The LULAC Scholarship committee has donated a minimum of \$25,000 each year to establish a scholarship endowment in the name of the participant's child. The ACCD Foundation matches the \$25,000 by providing each parent selected for the program with a \$1,000 scholarship to assist the parents in educational expenses.

In 1997, the League of United Latin American Citizens (LULAC) Council No. 2, the Alamo Colleges Foundation and the San Antonio College Women's Center partnered to create the LULAC Reina de la Feria de las Flores Parent/Child Scholarship Program.

2018 Tom Morton Sandoval LULAC Council No. 2 Parent/Child Scholarship Program

“This unique scholarship program not only increases access to a college education and contributes to student success for first-generation-in-college-students, but also helps a second generation to achieve success as well. We deeply appreciate the support of Reina de la Feria de las Flores and LULAC Council No. 2. that has enabled this program to continue for 22 years.”

CONSEJO

Educational Foundation

"Helping the next generation of Texas students."

About Us

The Rey Feo Consejo Educational Foundation was founded by Rey Feo XXXII Logan Stewart in 1982 as El Consejo Real de Reyes Feos Anteriores. The original name translates to “Royal Advisers Council of Former Kings” and today is often referred to simply as the “Consejo.” The organization’s mission is to uphold the traditions, increase awareness and support the efforts of the LU-LAC Council #2 Rey Feo Scholarship Foundation.

It was through Logan Stewart’s efforts that the Rey Feo was formally invited to be a part of Fiesta in 1980. Three other former Rey Feos are credited with establishing formal guidelines and protocol for the organization - Rey Feo LIV Charles Barrett, Jr. and Rey Feo LVI Tom Sineni and Rey Feo LIX Brian Weiner

CONSEJO REGENT

Rey Feo - 61
Charlie R. Garza

The membership-based nonprofit is comprised of former Reyes Feos who approve other business and civic leaders as members through an annual application process. Applicants must be nominated by a current member in November. The Consejo's former Rey Feos provide guidance and oversight to each new reigning Rey Feo. The organization includes 19 former kings and 123 of the area's most prominent business and civic leaders. Many of those 123 members are past or current members of the Rey Feo court, and several aspire to run for the title role in the future.

In addition to supporting Rey Feo program expenses such as the float, his crown and lodging, the Consejo underwrites and produces both the free, public crowning of the Rey Feo at Main Plaza and the Crown Celebration after-party to help kick-off Fiesta. In 2010, the City of San Antonio awarded the organization the contract to produce and manage a 10 day event at Market Square now known as Fiesta de los Reyes at Market Square. It continues to be the only free event running the entire 10 days of Fiesta. Entertainment headliners include Little Joe y La Familia, Gary Hobbs, Mazz, Stephanie Montiel and Shelly Lares, plus many more. Major partners for 2017 at Market Square included Bud Light, Coca Cola, Chevy, Univision, WOAI/FOX, Texas Lottery, San Antonio Spurs Sports & Entertainment, Red Bull, Texas Disposal Systems and Pearson Education. The second major fundraiser is the annual Noche de Los Reyes Gala held every November. Last year Harvey E. Najim was awarded the Crown Legacy Award.

Since 2011, the organization has contributed more than \$400,000 to LULAC Council #2 and the Rey Feo Scholarship Foundation for additional scholarship funds.

Lo Bello Women's Association

Founder *Amelia Garza*

"Our Story"

Lo Bello de San Antonio Women's Association was founded in July 1993. Amelia Garza is the founder and first President. As a small business owner, she recognized how difficult it is to succeed in business without an education. As a result, she was determined to assist others in obtaining an education so that they would not have to experience some of the obstacles that she had to overcome. The membership consists of business and professional women who volunteer their time and resources so that we can continue to strive to reach our goal of increasing educational opportunities in our community through our fundraising events.

La Reina Linda Angela L. García 2018

“Education is not preparation for life; education is life itself.” In my classroom, I encourage my students to be committed and passionate in whatever they do. Whatever they do, they should do it well and always think about how it will benefit others. Do unto others as you would have them do unto you. Go the extra mile. Plant a little seed. Be generous. Change the world with your heart!”

- John Dewey

Angela L. García is a passionate, caring, and ambitious individual who has served the San Antonio community for nearly twenty years as a professional educator. A native of Weslaco Texas, in the heart of the Rio Grande Valley, Angela is a graduate of the University of Texas-Pan American, where she received her Bachelor of Arts in Spanish & Communications. She completed her post-graduate studies at St. Mary's University where she earned her Master of Arts in Catholic School Leadership.

The daughter of retired educators, Heriberto and Diana López, Angela was raised appreciating the long hours, hard work, and indispensable role teachers play in the lives of their students. Since 1999, she has worked tirelessly to shape tomorrow's leaders both at John Jay High School and presently, as a Spanish teacher and foreign language department chair at Central Catholic High School.

Married to Ray García, both Angela and her husband believe in every child having the opportunity to succeed and they seek out any occasion to fulfill this vision.

As Reina Linda V, Angela has embodied her mission: “Believe and Succeed”. With the tremendous support of her friends, family, and community she raised over \$70,000 in scholarship funds. Most importantly, during her Fiesta school visits she spoke of the importance of having faith, persevering with tenacity, and finding ways to be involved in the community. Angela has inspired the youth of San Antonio to always strive for success, while being at the service of others. We proudly congratulate her on a wonderful and memorable reign as La Reina Linda V!

more women like her: women who have stories and experiences that have changed their lives so that they, too, can realize they are royalty.
